

Shetland Owners Association

(We have no connection with Shetland Boats Ltd or their Owners Club)

All visitors have free access to most of the Site, but registered members get additional editing facilities. To apply for membership, please submit the User Self-Registration Form on the members' page.

The website contains:

- Galleries of Owner's photos of their own boats, DIY modifications and their cruising experiences.
- Information on Shetland range of boats from the 1960's to date.
- Classified advertising.
- Open forums, for the discussion of SOA and Boating related topics and asking questions.
- The member list (*not accessible or viewable to non-members*), to enable members to contact each other.
- Performance data, publishing boat/engine combination data.
- Links to other websites of interest to Boat Owners.

We are always happy to register new members, who get the following enhancements:

- A login name and user password giving access to the member list.
- The ability to post and edit forum messages and replies with immediate visibility (unmoderated), since the identity of the author is known.
